

OUR CHILDREN ARE NOT HALAL MEAT

“These girls are being passed around and used as meat.”

Chief Det. Insp. Alan Edwards

Nick Griffin has said it for years... now the media admits Muslim Paedophile Gangs can no longer be ignored!

Muslim Paedophile Gang Scandal

According to *The Times* (5th Jan '11), police and social services have fuelled a “culture of silence” which has allowed hundreds of young white girls to be exploited by Muslim men for sex.

It's official! Muslim Paedophile Gangs are preying on vulnerable English girls in Oldham and other towns all over Lancashire and Yorkshire. Thousands of girls have been 'groomed' - drugged, abused and gang-raped - and it's happening right now.

We all know these disgusting crimes against children as young as 12 have been going on for years, and now *The Times* confirms that politicians, police chiefs and councils have 'conspired' to hush it all up.

Politically Correct Labour, Conservative/Lib Dem and UKIP politicians have all agreed to say and do nothing rather than 'offend' the Muslim community or admit that the British National Party have been right all along - yet again.

Young girls and their families in Oldham are sacrificed on the altar of Political Correctness. And when people complain they are fobbed off, or even accused of being 'racist'.

Now *The Times* has exposed just how widespread the problem is, it's time to push the police and politicians to do something to put things right.

“Imagine how you'd feel if your child had her life ruined by these perverts and the authorities still refused to lift a finger. That's why I'm asking you to support, vote for or join the British National Party. We are the only Party with the courage to take this issue on and to fight for justice for the victims of Muslim grooming.” Nick Griffin MEP

THE COVER UP...

Who's To Blame?

Labour, Conservative and Lib Dem Councillors

Labour, Conservative and Lib Dem councillors know that Muslim Paedophile Gangs are active in our area. But they want the Muslim block vote, so rather than demanding action to stop these sick crimes, they support the continued Islamification of Britain. **They all let these young girls down.**

Police Chiefs

Politically Correct police chiefs have ordered their officers to turn a blind eye to 'grooming' crimes. Labour, Conservative and Lib Dem MPs have all encouraged this police cowardice which ruins thousands of young lives. **They all let these young girls down.**

Newspaper Editors

National and local newspaper and media outlets have refused to tell people what the Muslim Paedophile Gangs are doing to young English girls. Instead of exposing the real issues the media are obsessed with launching hate-filled attacks on the British National Party for campaigning on the real issues. **They all let these young girls down.**
